Feedback for our Event Preparation

We would like to adjust the seminar in the best possible way to the individual group of participants as well as your individual requirements. Therefore, we would like to kindly ask you to answer the questions below. All data provided in this questionnaire will be treated anonymously.

How much experience do you have with HALCON?

- | | | |
|-------------------------------------|------------------------------------|-----------------------------------|
| <input type="checkbox"/> 0-3 months | <input type="checkbox"/> <1 year | <input type="checkbox"/> <5 years |
| <input type="checkbox"/> 3-6 months | <input type="checkbox"/> 1-3 years | <input type="checkbox"/> >5 years |

How much experience do you have with machine vision in general?

- | | | |
|-------------------------------------|------------------------------------|-----------------------------------|
| <input type="checkbox"/> 0-3 months | <input type="checkbox"/> <1 year | <input type="checkbox"/> <5 years |
| <input type="checkbox"/> 3-6 months | <input type="checkbox"/> 1-3 years | <input type="checkbox"/> >5 years |

In what field of application do you work with machine vision?

Which technologies are you currently using?

- | | | |
|--------------------------------------|---|--|
| <input type="checkbox"/> Matching | <input type="checkbox"/> Classification | <input type="checkbox"/> Code Reading |
| <input type="checkbox"/> Calibration | <input type="checkbox"/> Classification | <input type="checkbox"/> OCR |
| <input type="checkbox"/> 3D | <input type="checkbox"/> Metrology | <input type="checkbox"/> Others: _____ |

Have you already applied HALCON deep learning?

- Yes No

If yes, which one?

What do you expect from the application of deep learning?

- Better classification results
- Less development time
- More robust applications
- Higher automation degree
- Others: _____

What do you expect from the HALCON deep learning seminar?
